Guest Speaker:

Michael J. Burke

Superintendent,

The School District of Palm Beach County

Here's your opportunity to reach the entire Delray Beach community and raise vital funds for our eight public schools.

- Atlantic Community High School
- Banyan Creek Elementary School
- Carver Community Middle School
- Orchard View Elementary School
- Pine Grove Elementary School
- Plumosa School of the Arts
- S.D. Spady Elementary School
- Village Academy Elementary School

There could not be a more important time than now to support our local public schools. Learning losses and teacher vacancies are skyrocketing while educational resources are declining. That's why the Delray Chamber Education Fund (DCEF) is asking individuals and businesses to "step up" and sponsor our upcoming 2023 Annual Education Breakfast. The funds raised will go directly to the schools to cover critical needs such as skill-building programs, teaching materials and supplies.

our mission
