

# Flat Stanley Rides a Harley for Kids and Cops 2024

Delray Beach resident Chuck Halberg & riding partner John “Maddog” Looney are taking off on another trip to raise money for kids, cops, and animals in Delray Beach. Like our last trip in 2021, where we helped raise over \$77,000, all sponsorships & donations will be donated directly to the charity of your choice so 100% of money raised goes directly to them. This year the 15 nonprofits participating are:

Arts Garage   Delray Citizens for Delray Police   The EJS Project   The Community Classroom Project  
Achievement Center For Children & Families   Delray Chamber Education Fund   Dezzy's Second Chance  
Delray Beach Library   The Spady Museum   Roots and Wings   The Delray Beach Historical Society  
Bound for College   The Milagro Center   The Miracle League of Delray Beach   Eat Better Live Better

**All expenses including hotels, food and fuel are 100% self-funded by us and this year's plan is to ride back roads except for the last day coming home.**

**This year's trip we will go out west and north and we will be riding every day so we will have minimal time at each stop, riding most days from 7am - 5pm with stops as needed or to site see.**
